Walk-in applications also will be accepted at the DNR Customer Service Center until the close of business (4:30 p.m.) on the due date.

in the Indiana Government Center South, 402 W. Washington St., W160, Indianapolis. Service Center hours are 8:30 a.m. to 4:30 p.m., Monday through Friday.

If you have any questions regarding the application process, contact the DNR Customer Service Center at (317) 232-4200.

Miss the deadline on a mail-in hunt application?

The deadline for receiving online hunt applications is later than the deadline for receiving mail-in hunt applications. (See chart above.) If you have missed the mail-in deadline for the hunt of your choice, just go online to www.IndianaOutdoor.IN.gov and register before the online application deadline.

Where are the Special Hunt "Cards"

In a word...GONE! Replaced by a more accurate and efficient online draw application system. But if you prefer to mail in your applications, that is still possible. See pages 39 and 41 for mail-in applications.

Why did DNR switch to the online system?

It is a natural extension of the online license application system. It can look up and verify information we previously spent many staff hours doing by hand. In addition, it will eliminate many applications from being disqualified because they were incomplete, license numbers were not copied correctly or the application was otherwise flawed.

Which drawings are included? Pheasant, Dove, Military/Refuge Deer hunts,

Wild Turkey and State Park Deer Reduction Hunts.

Where do I begin the online process?

Begin at www.IndianaOutdoor.IN.gov.

Follow the link to special hunt applications to complete your application. There is no charge to use this online system.

What if I do not have internet access? See pages 39 and 41 for a mail-in application. All application forms are also available to download at www.wildlife.IN.gov.

Why is the mail-in deadline earlier than the online deadline?

After you send in your application, DNR staff will enter it into the online system. The deadline for mail-in applications is earlier than the deadline for online applications to allow for the processing of mail-in applications.

Apply for all reserved hunts at IndianaOutdoor.IN.gov.

Military/Refuge Deer Hunt Random Drawings

**Mail-in application must
be received by: Aug. 15,
2008**

Bonus military/refuge hunts are offered for firearms hunters and archers on the following areas. Bonus antlerless deer licenses cannot be used for military/refuge hunts. Note age restrictions.

- Muscatatuck National Wildlife Refuge
- Camp Atterbury Joint Maneuver Training Center (minimum age of 16 years old unless accompanied by a parent) Hunter education certification and two pieces of hunter orange required.
- Big Oaks National Wildlife Refuge

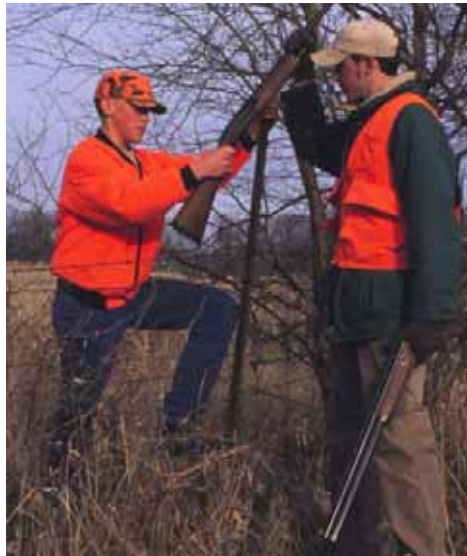

Hunters can apply for the military/refuge hunts by completing the Military/Refuge Deer Hunt mail-in application on page 39 or they may apply online at www.IndianaOutdoor.IN.gov.

Mail-in Military/Refuge Application Instructions

This application must be completed properly and entirely to be eligible for the drawing. The application contains blanks for first and second choices for a firearms military/refuge hunt and an archery military/refuge hunt. If you wish to apply for both hunts, you must apply for both on one application. You may submit only one military/refuge application. However, you may fill out and return the DNR Property Dove Hunt and Reserved Pheasant Hunt applications at the same time as the Military/Refuge Deer Hunt application.

The application must be received at the DNR Customer Service Center by August 15, 2008 to be eligible for the military/refuge drawing. Late applications and/or incorrectly filled out application cards will be disqualified. If more than one application is received for the same hunter, all applications for that hunter will be disqualified.

Hunters will be selected through a random drawing. All applicants will be notified of the results by mail in late September. Information regarding the success in the drawing will not be available or given out until after Oct. 1. If you have any questions about the military/refuge deer hunt offerings, call the Deer Hotline at (812) 334-3795 from 8:30 a.m. - 4:00 p.m. This is not a toll-free call.

Partner System

The drawing will not select partners. Every hunter selected through the drawing may choose any person as a partner to hunt with him/her on any Military/Refuge hunt. Selected hunters will have the option of hunting with or without a partner on all areas that do not specifically require a partner. As in the past, Big Oaks National Wildlife Refuge requires that you bring a partner.

The hunter selected in the drawing will be provided with two forms for admission to the hunt (Notification I) and two license request certificates (Notification II). While each individual can only submit one hunt drawing application, each individual can participate in multiple hunts if chosen as a partner in addition to being selected in the drawing. However, on any one hunt day, an individual cannot be both a partner

and a selected hunter or be a partner with more than one selected hunter.

There is no limit on how many times a hunter can participate as a partner. A hunter chosen as a partner by more than one person can use the partner license request certificate from each selected hunter to obtain multiple licenses. A partner can take one deer for each license provided, but may not exceed the daily bag limit for the hunt area.

BIG OAKS YOUTH HUNT

A youth deer hunt will be held at Big Oaks National Wildlife Refuge. To apply, send a post card postmarked by Oct 1 with the youth's name, date of birth, phone number and address to: Big Oaks NWR, 1661 W. JPG Niblo Rd., Madison, IN 47250. For information about all Big Oaks hunts, visit the website at www.fws.gov/midwest/bigoaks.

NEWPORT AND NSA, CRANE

There will be no public hunt on these areas during the 2008 season.

MUSCATATUCK

Muscatatuck will have two separate special permit hunts, an archery hunt from Nov. 1 - Nov. 16 and a muzzleloader hunt from Dec. 6 - Dec. 21. The muzzleloader hunt must be placed as a firearms choice on the application. Hunters may apply for both hunts but can be drawn for only one day during each hunt. There is no choice of hunting dates. Handguns and crossbows are not allowed. For information, call the refuge at (812) 522-4352.

MILITARY AREAS

Any deer hunt may be cancelled or rescheduled upon short notice. No hunt fee refunds will be given if a hunt is cancelled or rescheduled. Handguns are not permitted on any military area.

DNR Property Dove Hunt Reservation Drawing

Mail-in application must be received by: July 18, 2008

The Department of Natural Resources offers reserved mourning dove hunts by random drawing on 12 properties. Hunters can apply for the reserved dove hunts by completing the 2008 Reserved Dove Hunt application on page 39 or they may apply online at www.IndianaOutdoor.IN.gov.

Follow the directions carefully to complete the application. All applicants will be notified of the results by mail. **The mail-in application deadline is July 18, 2008.**

The reserved hunts will take place the first two days of mourning dove season except at Blue Grass FWA, which will draw for the second and fourth days of the season. Migratory game bird seasons, such as mourning dove, are subject to the approval of the U.S. Fish and Wildlife Service and will not be set until late summer, but traditionally have started Sept. 1.

The participating properties have managed hunting fields planted with sunflower, millet and/or wheat to provide habitat for doves. Kankakee and Pigeon River require non-toxic shot for all dove hunters.

The application must be completed properly and entirely to be eligible for the drawing. Follow the instructions carefully. No exceptions will be made. You may fill out and return the Military/Refuge Deer and Reserved Pheasant hunt applications at the same time as the DNR Property Dove Hunt Application.

The dove hunt application must be received at the DNR Customer Service Center by July 18, 2008 to be eligible for the drawing. Late applications and/or incorrectly filled out applications will be disqualified. If more than one application is received for the same hunter, all applications for that hunter will be disqualified.

Hunters will be selected through a random drawing. Hunters who are selected for the reserved dove hunt may bring one hunting partner. Selected hunters and their hunting partners must claim their reservation prior to 11 a.m. the day of the hunt. Hunting spots on fish and wildlife areas and reservoirs, that are not claimed, will be filled with stand-by hunters, except at Blue Grass Fish and Wildlife Area.

During the rest of dove hunting season, participating properties will have drawings each day at 11 a.m. to allocate hunting sites in managed fields. To participate in these drawings,

2008 Indiana State Park Deer Reduction Hunts

Mail-in application must be received by: Aug. 15, 2008

Deer herd reductions are required periodically at state parks to maintain a deer herd that is compatible with the ecosystem of each state park.

Hunters can apply for the state park deer reduction hunts by completing the 2008 State Park Deer Reduction application on page 41 or they may apply online at www.IndianaOutdoor.IN.gov.

Applications will be available July 1, 2008, for a controlled deer herd reduction at 17 state parks. **The mail-in application deadline is August 15, 2008.** Reductions will take place on Nov. 17 - 18 and Dec. 1 - 2. Hunters will be selected using a random drawing. Deer taken in these hunts are in addition to all other bag limits. You may bring up to two buddies for this hunt. You must enter their information on this application.

To be eligible for this hunt, you must be an Indiana resident, 18 years of age by Nov. 17, 2008 and possess an Indiana license to take deer. Each person may apply only once for each state park deer reduction event regardless of primary or buddy applicant status. If any name appears on more than one application, all applications sharing duplicate names will be disqualified.

Parks where firearms are used will draw first from the pool of hunters who have a valid Hunter Education Certificate. All names on the application must have a valid HEC for the first round drawing. Parks designated for archery require an International Bowhunter or Hunter Education Certificate to apply.

In order to apply for an Indiana State Park Deer Reduction Hunt, fill out the application and provide all the information required. Mail your completed application to DNR Reserve Hunts; 402 W. Washington St., W160; Indianapolis, IN 46204. If you claim the hunter education preference and are drawn, you may be required to present your hunter education card at the

Reserved Pheasant Hunt Registration

Mail-in application must be received by: Sept. 19, 2008

The Division of Fish and Wildlife offers reserved hunts by random drawing on Game Bird Habitat Areas in northern Indiana. Follow the directions carefully to complete the Pheasant Hunt application on page 39 or they may apply online at www.IndianaOutdoor.IN.gov. All applicants will be notified of the results by mail. **The application deadline is Sept. 19, 2008.**

Game Bird Habitat Areas are managed specifically for ring-necked pheasant. Since 1986, hunters have harvested over 12,500 pheasants on the managed areas. This year, tracts in Benton, Jasper, Newton and White counties will be open for hunting. The dates for the special hunts are: November 7, 8, 12, 15, 19, 23, December 6, 13, and 20.

Hunters can apply for the reserved Game Bird

Habitat hunts by completing the 2008 Pheasant Hunt application. This application must be completed properly and entirely to be eligible for the drawing. Follow the instructions carefully. No exceptions will be made.

All applicants must fill out an application. Any and all other types of applications will be disqualified. However, you may fill out and return the Military/Refuge Deer and DNR Property Dove hunt applications at the same time as the Reserved Pheasant Hunt application.

The pheasant hunt application must be received at the Customer Service Center by Sept. 19, 2008 to be eligible for the drawing. Late applications and/or incorrectly filled out applications will be disqualified. If more than one application is received for the same hunter, all cards for that hunter will be disqualified. Successful applicants may bring up to two hunting partners.

Pheasant Youth Hunt

For the 15th year, a one-day hunt, Nov. 28, has been reserved for youth hunters under the age of 18. The State of Indiana requires anyone born after 1986 to successfully complete a hunter education program in order to purchase a hunting license. See apprentice exception on page 3.

To apply, complete the Pheasant Hunt application on page 39 and mark the Youth Hunt box for Nov. 28, 2008. Date of birth is also required. Youth hunters applying for the youth hunt date may not apply for regular hunt dates.

Successfully drawn youth hunters must be accompanied by an adult and may invite one other hunting companion.

Reserved Wild Turkey Hunt Random Drawings

Mail-in application must be received by: Mar. 13, 2009

The DNR will offer reserved turkey hunting dates on 18 DNR properties, one military and two National Wildlife Refuge areas for the 2009 spring turkey season. The mail-in turkey hunt registration application will only be accepted between July 1, 2008 and March 13, 2009.

Read and follow the directions carefully to complete the application on page 41. All applicants will be notified of the results by mail.

Special Notes

Hunter Education certification is required to hunt at Camp Atterbury Military Maneuver Training Center.

The Muscatatuck National Wildlife Refuge will be open to special permit turkey hunting during the 2009 regular spring turkey season. Ten to 15 permits per day will be issued for the refuge hunting area. Hunters will be selected in a random drawing for only one day, with no choice of hunting dates. Successful hunters must check their turkey at the refuge office. Hunters may bring a partner, but partners may not hunt or carry weapons. Hunters drawn to hunt Big Oaks National Wildlife Refuge will still be required to bring a partner to hunt.

Selected hunters at Muscatatuck do not need to check in at the office prior to hunting on their selected day. Selected hunters at all other properties must be checked in at the property check station by 4:30 a.m. each morning of their hunt on properties in the Central Time zone and 5:30 a.m. on properties in the Eastern Time zone. Hunting spots that are not claimed by those times will be filled with stand-by hunters. Fairbanks Landing, Chinook and Hillenbrand Fish and Wildlife areas, Roush, Mississinewa and Salamonie lakes will not conduct no-show drawings.

Reservation hunts are nontransferable, except when a selected hunter on DNR properties wishes to transfer his/her reservation to a hunter 16 years old or younger and takes that youth hunting on the reserved days. If the selected hunter harvests a turkey prior to his/her reserved hunt, or on one of his/her reserved hunt dates, the selected hunter forfeits the remainder of the reserved hunt dates.

REPORT THAT BIRD BAND!

1-800-327-BAND

OR

WWW.REPORTBAND.GOV

When you harvest a duck, goose, dove, or other migratory bird that has a band on its leg, it can be very exciting. If you report the band, you can find out where that bird came from!

Bands are placed on migratory birds across the continent. Band reports help managers to monitor migration patterns, survival and harvest rates, and population sizes. Reporting bird bands helps managers ensure the health of migratory bird populations. Bird bands can be reported online at www.reportband.gov or toll-free at 1-800-327-BAND.

Report any geese that you harvest or see with orange or white plastic leg bands. These are birds that were moved from urban areas to Indiana Fish and Wildlife Areas. Reporting these bands helps us determine what happens to these birds after they are moved. These birds can be reported to the same number as above, or to any Fish and Wildlife Area.

The knowledge that managers gain from each band return is crucial. Do your part to keep migratory bird populations healthy and report that band!
